What happens at our parties

Children gather in forest foyer room where a party host will lead them into the party room. We give birthday child a gift then it's off for face painting (and hair glitter if selected)

Games and dancing time for chances to win prizes. 1/2 way through party we have food and do trivia while kids eat. Sing happy birthday, cut cake (photo time) with Party almost finished we get kids together for a photo opportunity on stage with props and costumes. Kids make a line behind birthday child and led out to collect Lolly bags that are given out in front entrance where parents can collect their kids.
